“The Happy Elf” follows the adventures of Eubie, the happiest elf at the North Pole. More than anything else, Eubie longs to be a part of Santa's sleigh team. Instead, he's stuck checking the naughty-or-nice lists. Then, one Christmas Eve, he sees something strange: In the whole town of Bluesville, not a single person has been nice. With a pinch of elfish magic and a magical whoosh, Eubie's off to Bluesville... but can he turn a whole town of naughty children nice in just one day?

In an unnamed European country behind the Iron Curtain, the American Ambassador leaves the Embassy for business and places his incompetent son in charge. Almost immediately, the Embassy is thrust into a crisis as an American family of tourists come rushing in, on the run from the Communist police. Add a priest that has been hiding in the Embassy for six years, a botched spy exchange, and it's anyone's guess what may happen next.
